## 智能按摩椅

### INTELLIGENT MASSAGE CHAIR

- ① 3D+4D Dual Massage Mechanism
- ② Precision-engineered SL-Track
- ③ 3-Level Zero Gravity Reclining
- ④ AI Automatic Body Scan
- ⑤ 3 Roles Foot and Calf Massage
- ⑥ Negative Oxygen Ions
- ⑦ Side Smart Shortcut
- ⑧ Wireless Phone Charging
- ⑨ Touchscreen Controller
- ⑩ Intelligent Voice Control
- ⑪ Deep Calf Kneading

## 5 Heating Zones

The Item Z900 full-body heat therapy can help relieve tension and stress on multiple levels. In addition to the standard heat treatment for the back, calves, and soles of the feet, the Item Z900 also features targeted heating for the shoulders and chest. Simply drape the heating shawl over your body to provide heat therapy to these areas

### Touchscreen Controller

The Z900 massage chair features a touchscreen controller for easy navigation and adjustment settings. This massage chair offers **modes** and **6 manual massage styles**

### Intelligent Voice Control

With Z900 voice control feature you can easily utilize the chair without having to lift a finger. When you make a command the chair will react accordingly.

### Deep Calf Kneading

One commonly neglected area in modern massages is the calves. The Z900 chair gives your legs dedicated care with its tested Calf Kneading Function.
